Tempus Nebularum

*Pre-Coronet Special Edition
August 2021, AS LVI*

From Our Prince, on the selection of Heirs

To the good and fair people of the Mists
does your Prince send greetings.

As no doubt you are aware, the time is finally upon us to determine our heirs. The event will be held September 10-12 with the tournament being held on September 11 at Bolado Park in Tres Pinos, CA

These have been challenging times for many and hopefully we are facing the beginning of the end of these times. We very much look forward to our tournament and once again seeing all of you in person. With these times in mind we have decided that while all are welcome to attend, only those of the Mists can be fighter or consort in our tourney. The next Heirs will be of the Mists and we trust they will carry us to more recognizable times. We call on the Chivalry of the Mists, take part in our tourney and assure that our Heirs are up to the task.

Wishing you all well.

From the Principality Marshal

It is my pleasure as the Mists Marshal to announce the format of the coronet lists for their Highnesses.

On September 11th the tournament shall be fought in a Double Elimination type tournament. Invocation and Challenges will be done as normal, but there will be a change to the fighting format within the tournament.

The fights shall be of two (2) counted blows to demonstrate victory rather than one killing blow.

Good shots to the legs and arms shall be counted as good blows but the fighter will simply acknowledge them and continue fighting unhindered.

After each acknowledged good blow there will be a separation of the fighters to reset; not a hold, and not to be reinitialized by the marshals, only a momentary pause to clarify the blow to the onlookers.

Double kills shall be refought from the beginning immediately, resetting all blows counted to 0.

While nobody dies in a counted blows tournament, it is specifically requested by their Highnesses that the fighter kneel or show some visible deference upon defeat, so the results of the fight are clear to those watching.

This will be our first tournament in over a year so please come to inspection early, ready for internal helmet inspection of padding.

Sir James Kristof
Principality Marshal

From the Principality Rapier Champion

To the most wonderful populace of this, our glorious Principality of the Mists, do I send joyous tidings!

The plague which has swept across these lands is waning, and we shall soon meet again. On the weekend of September 10-12, we shall reunite under the banner of our great sea-wolf, to make merry and find who shall be worthy of representing our principality on the rapier field.

With the permission of their Highnesses, I have come to announce the format of the tournament! We will be fighting a round robin, should our numbers not exceed 10 in the lists. Should we draw more fighters, a standard double elimination will ensue in its stead. Standard rules of the lists will be followed, including for blows, and all bouts shall be best 2 out of 3. I

hope to see all of you wonderful friends there!

Juan Carlos Castillo de Guzman
Rapier Champion of the Mists

The Mists Archery Championship

I am very happy to be able to once again invite the archers of The Mists to compete to become Archery Champion!

This competition will include a standard Royal Round, plus the Society Seasonal Archery Challenge. There will be a sudden death tie-breaker, if needed.

Arts and Sciences

Oyez, oyez! Your attention is requested! Arts & Sciences at Coronet wants YOU! Come show off the projects that kept you going during the plague quarantine! Bring your best, bring your attempts, bring your crafts, bring your designs — let's highlight all arts and sciences with an amazing display!

The Silver Muse will not begin at this event so that everyone has plenty of time to research the upcoming competitions and prepare. You will find details for the individual competitions on our Principality website — start dates will be announced!

So help us start A&S off right in our Principality's reopening event! Display will be from just after first court til just before last court at the A&S pavilion. If you would like to teach a class please let me know. I'm sure many of us would enjoy some in person lessons!

Principality Arts and Sciences Minister

Saltator de Nebula

Saltator de Nebula competition will be Saturday of Coronet after 3rd round, location TBD. Listen for heralds. The dance will be Bransle des Chevaux (Horse's Bransle).

Harassment and Bullying

1. The SCA prohibits bullying and harassment of all individual and groups.
2. Bullying is systematic and unwelcome behavior which involves the use of influence, threat, intimidation, or coercion to cause hurt or harm to another person or group of people. When the bullying behavior is based on a protected class, that behavior is defined as harassment. Protected classes include race, sex, religion, national origin, gender, sexual orientation, age, or disability.
3. Bullying and harassment may be overt, as in the following non-inclusive list of examples:
 - a. Verbal abuse, including using racial, homophobic, transphobic, ableist epithets, etc.
 - b. Non-consensual physical contact, violence, or threatening gestures
 - c. Displaying material that is offensive, degrading, or threatening to a protected class
 - d. Consistent demeaning remarks or malicious teasing
 - e. Stalking or predatory behavior
4. It may also be covert, as in the following non-inclusive list of examples:
 - a. Spreading rumors or innuendo with malicious intent.
 - b. Deliberate exclusion, isolation, or alienation of an individual without just cause.
 - c. Using rank, title, or office to intimidate others.
5. Provided that the behavior does not rise to the criteria listed above, bullying and harassment is not:
 - a. Single episodes of social rejection, dislike, tactlessness, or forgetfulness
 - b. Mutual arguments, disagreements, or fights
 - c. The termination, mutual or not, of a romantic relationship or friendship
 - d. Reasonable constructive feedback or critique
5. The test for bullying is the reasonableness of the behavior and the impact of that behavior on the recipient.
6. Participants engaging in bullying/harassment are subject to appropriate sanctions. If an individual believes they have been subjected to or have witnessed harassment, bullying, or retaliation, that person should contact a seneschal, the President of the SCA, or that kingdom's Board Ombudsman.
